Report on Parent – Teachers Meeting

Date : 17.11.2022

Venue : Auditorium

The Parent–Teachers Meeting was conducted to discuss important academic and disciplinary matters concerning the students. The Head of the Department explained discipline-based guidelines, highlighting the importance of maintaining proper conduct, punctuality, and adherence to college rules and regulations. The faculty members also reported the students' academic progress to their parents, based on their performance in internal assessments and external examinations. Our college principal Dr. S. Mathivannan sir advised students to improve their academic performance in the following days. Parents were informed about the strengths and areas of improvement of their wards, and suggestions were given to enhance academic performance. The meeting concluded with an interactive session, encouraging parental support for the overall development of the students.
