Brief Summary of Health Checkup Camp

As a part of 6th Memorial Day of our Founder Chairman Kalvithanthai Thiru. K. Ramasamy which was observed on 12.03.2025 (Wednesday). We, the Department of Biochemistry, K.R. College of Arts & Science, have conducted six free health checkup camps including three Mobile Camps to cover the entire areas in and around Kovilpatti city, Nalattinpuhur & its nearby areas and Pandavarmangalam & its nearby Areas and Villages such as Manthithoppu, Vanaramutti & KRCAS Entrance.

Regarding the conduct of these health checkup camps, the following works have been done.

1. We received written permission from the Deputy Director of Health services, Office of DDHS, Kovilpatti and also from the Health Officer, Primary Health Centre, Villiseri and The Block Health Supervisor, Keelaeral, Thoothukudi District.
2. We also received permission from the Commissioner, Health & Sanitary Inspector of Kovilpatti Municipality, and Kovilpatti to conduct the camps in and around Kovilpatti city.
3. Reached the public to know about the details of Basic Health Checkup Camps by giving advertisement (or) news in dailies, printing flux banners, Bit notices and information given through Social Medias prior to conduct of health checkup camps.
4. Prepared the laminated lab report including normal reference ranges which is given to the public after analyzing their blood samples in the camp spot itself.
5. Allotted trained Lab Technicians, Student Trainees (18 Biochemist) and a teaching staff in each camp along with necessary kits & reagents.
6. Transported allotted Lab Technicians, Student Trainees along with reagents kits and instruments to the allotted camp spots with the help of Transport office of NEC on the same day.
7. We got support & suggestions from Dr. Seenivasan, M..B.B.S, Medical Officer of our Trust and requested him to visit every camp spot.

8. Utilized the service of Staff Nurses of NEC Ladies Hostel to conduct the camps in various spots.
9. Prepared Ambulance van (Omni van of NEC) and Two Buses into Mobile camp Units by accommodating all kinds of reagents and kits in the Mobile Unit and fixed "Mobile Health Check- up camp flux banners" in front of the Ambulance van & Two Buses.
10. All other necessary arrangements such as providing Lunch packets to Lab Technicians Staff Members and Students Trainees in each camp spot , done with the help of NEC Hostel.
11. Established a mobile team consists of 5 Biochemistry students to supply additional kits and reagents if required in the camp spot on the same day. These are the works done related to the conduct of basic health up camps in successful manners.

KR Nagar, Kovilpatti – 628503

Sir,

In connection with the 86th birth anniversary celebration of our Founder Chairman Kalvithanthai Thiru. K. Ramasamy, which was commemorated on 17.09.2022, five camp spots were identified and permission was obtained from Deputy Director Health Services, Kovilpatti for rural areas, and Municipal Commissioner, Kovilpatti for Town. Health checkups were done for the benefit of inhabitants of Kovilpatti and nearby villages. The parameters analyzed are Blood sugar, Blood pressure, sPO2 level, Blood grouping, Body Mass Index and Hemoglobin levels. We had a very high positive response from the public and yet more activities can be planned in the future.
