Subject: Department of Botany – M.Sc, Students - Pathogen Culture Access and
Mention – Requestion – reg.

Respected Sir,

Greetings from G. Venkataswamy Naidu College, Kovilpatti.

We would like to request your kind support in providing pathogen culture access for our II M.Sc. Botany students (Ms. N. Abitha and Ms. S. Muthukani) at the Department of Microbiology, as part of their academic and research activities. This initiative aims to enhance their practical skills and compleat their Project work.

We are pleased to share that our institutions have established a Memorandum of Understanding (MoU) to promote academic collaboration. In alignment with this partnership, we kindly request your support in providing access to pathogen cultures from your esteemed Microbiology Department for our II M.Sc. Botany students. This will greatly aid their research and practical learning.

We sincerely appreciate your cooperation in facilitating this academic exchange, and we look forward to continued collaboration under the MoU.

Thanking You,

Yours sincerely

To

Dear Principal

Sub.: "Requesting for Microbial Plate for Hygiene Audit." Reg.

I hope this letter finds you well. As we prepare for the upcoming hygiene audit scheduled for March 4, 2024, I am writing to request the issuance of a growth media (Fungal and Actinomycetes) plate from the Microbiology Department to facilitate microbial checking and counting.

In order to ensure the thorough assessment of hygiene standards across our college campus, it is imperative to conduct microbial testing using appropriate growth media. The Microbiology Department possesses the necessary expertise and resources to provide us with a suitable growth media plate for this purpose.

We assure you that the growth media plate will be handled with care and utilized solely for the intended purpose of conducting microbial testing during the hygiene audit. Our aim is to uphold the highest standards of cleanliness and hygiene across our college campus, and your support in providing this essential resource is greatly appreciated.

Thank you for considering our request. Should you require any further information or assistance, please feel free to contact me at any time.

Looking forward to your positive response.
